## Our 2004-2005 School Year

Mrs. Jeanne Lewis, Principal (right)  
Dr. Teresa Callahan, Assistant Principal

What an eventful school year 2004-2005 has been for us. Construction taking place on the east, west and front of the school. No library! No cafeteria! Hurricane Ivan's visit causing a few leaks, minor damage, and make-up days. Digging, digging, digging to solve drainage problems, and the hum of heavy equipment continually moving about on our campus.

Through it all the teachers and students have moved forward with smiles on their faces, working hard to accomplish our educational goals. No obstacle was too large for them to overcome. Their flexibility, patience and willingness to do whatever it took to get the job done was inspiring. The efforts of students, teachers, and staff have made 2004-2005 a year to remember.

--Mrs. Jeanne Lewis

Sweet boys and girls, we want you to know,  
How much we've enjoyed watching you learn and grow.  
We've shared so much laughter and so much fun,  
As the days have gone by one by one.

You are all very special.

You are all very dear.

You'll stay in our hearts year after year.  
We love you!

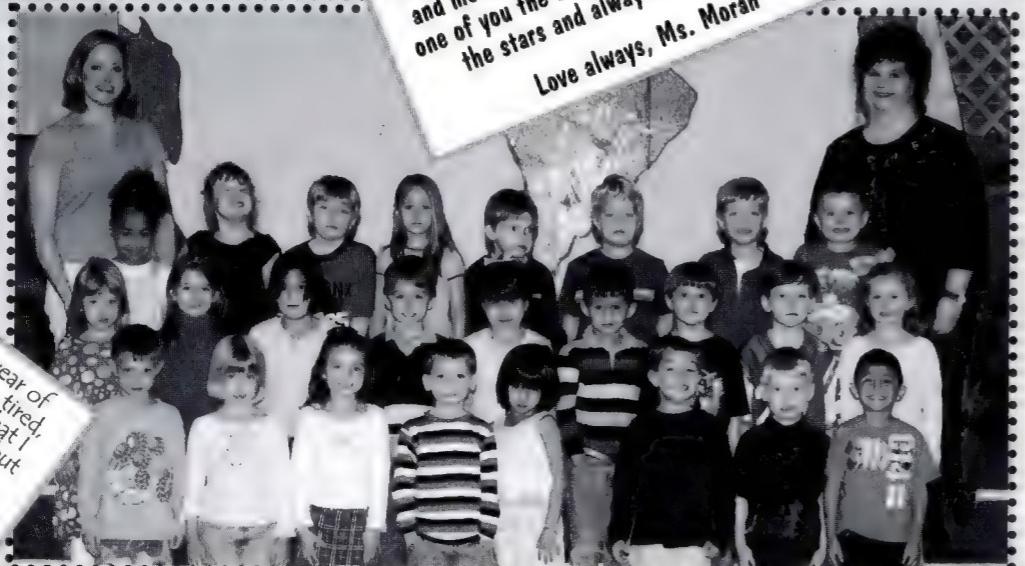

Mrs. Hodges and Mrs. Davis

I would like to thank my first kindergarten
